

Get Ready, Get Prepared, Get Prizes!

In September, ICLEI Canada launched our first mobile game, Get Ready! The game is designed to educate homeowners and residents about the impacts of natural hazards and extreme weather, and how people can prepare for these events in their home and lives. It is available in both English and French on the App Store, Play Store, and online.

1. Download **Get Ready** in the App or Play store, or visit www.getreadygame.com
2. Play the game!
3. Show us you're **READY!** Tweet or Instagram a photo of yourself doing one of the preparedness actions from the game, using the hashtag **#getreadygame**
4. You will be entered into a random draw to win one of three home preparedness prizes!

Contest runs from **October 1 - December 1!**
