

# 2023 Local Services Budget Info Sheet

## Georgina Island Tax District

The total 2022 property tax budget for the GI Tax District is \$598,830. This is \$1068 less than 2022. Most property assessments remain the same, as the valuation date did not change. There are a couple of new properties, so most property tax bills will decrease slightly for 2023. We are accepting written comments on the local services budget and the draft annual laws from March 1-14, 2022. The draft annual rates and expenditure laws are available on the [www.georginaisland.com](http://www.georginaisland.com) website.
